Correspondence

- Discussed further definition of intermittent stream and minimum setbacks from water bodies. Suggest Planning Board revisit these setbacks and Table 16.9.
- Try to figure out status of Bowen Road, maybe organize a meeting with stakeholders.

Old Business:

1. Open Space Committee. Steve will try to attend next week's meeting.
2. David Tibbitts. Earledean to try and communicate with him about status of invasive species issue.
3. Playing Fields. KCC to try and communicate with Public Works about status of proposed field behind Community Center, and near Rodgers Park

New Business:

1. Planning Board meeting.
 - Fernald Road. Site Walk conducted. Lots of clear cutting done already.
2. Lobster Trap Cleanup Recap. Had about 12 volunteers and picked up about 50 traps. Stacked traps near parking lot boulders.

Meeting adjourned at 6:30 PM
